Dear Mr. Pennington:

This is in response to the petition for rule making which you submitted on April 14, 1993, on behalf of Gresham Communications, Inc., licensee of Station WNTC, Walterboro, South Carolina. Gresham Communications requests the reallocation of Channel 265C3 from Walterboro to Ridgeville, South Carolina, and the modification of Station WNTC's license to specify Ridgeville as its community of license.

An initial engineering analysis indicates that Channel 265C3 cannot be allotted to Ridgeville in compliance with the Commission's minimum distance separation requirements. Using the proposed transmitter site coordinates specified in the
